River High School

Hannibal, Ohio

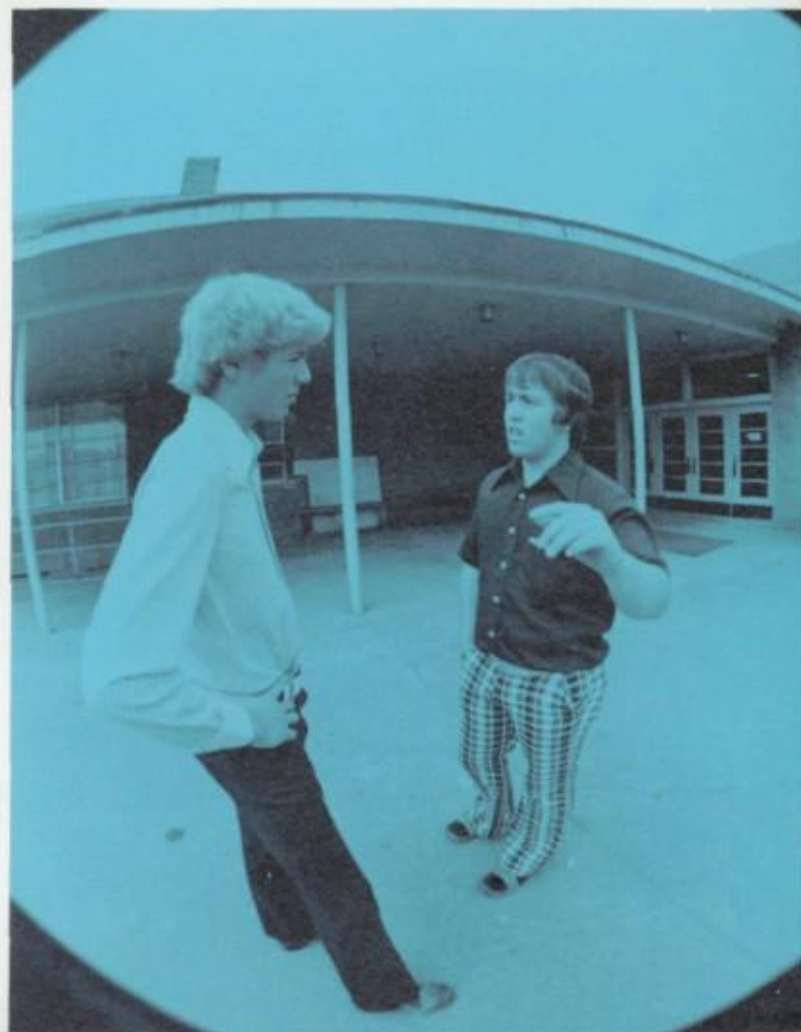

Forward

The Pilot Staff deliberated throughout the year to arrive at a suitable theme. Since this is the second decade of River's existence, we decided on the twentieth year theme.

We have seen several changes the past four years. In the students, both love and respect have grown between them and their teachers. We are proud to be students of such a progressive school. As editors of the 1974 Pilot, "thank-you."

The 1974 Pilot Staff wish to dedicate our annual to those who have served River High School for the twenty years of its existence. Mr. Harry Mallett, Miss Elizabeth Forney, Mr. Edward Woolf, and Mr. Donald Miracle have helped the students of River achieve in vocations, scholarships, music, athletics, and other activities. Throughout their years at River, they have made many observations. These faculty members have seen River rebuild, enlarge, and become one of the best high schools in the state.

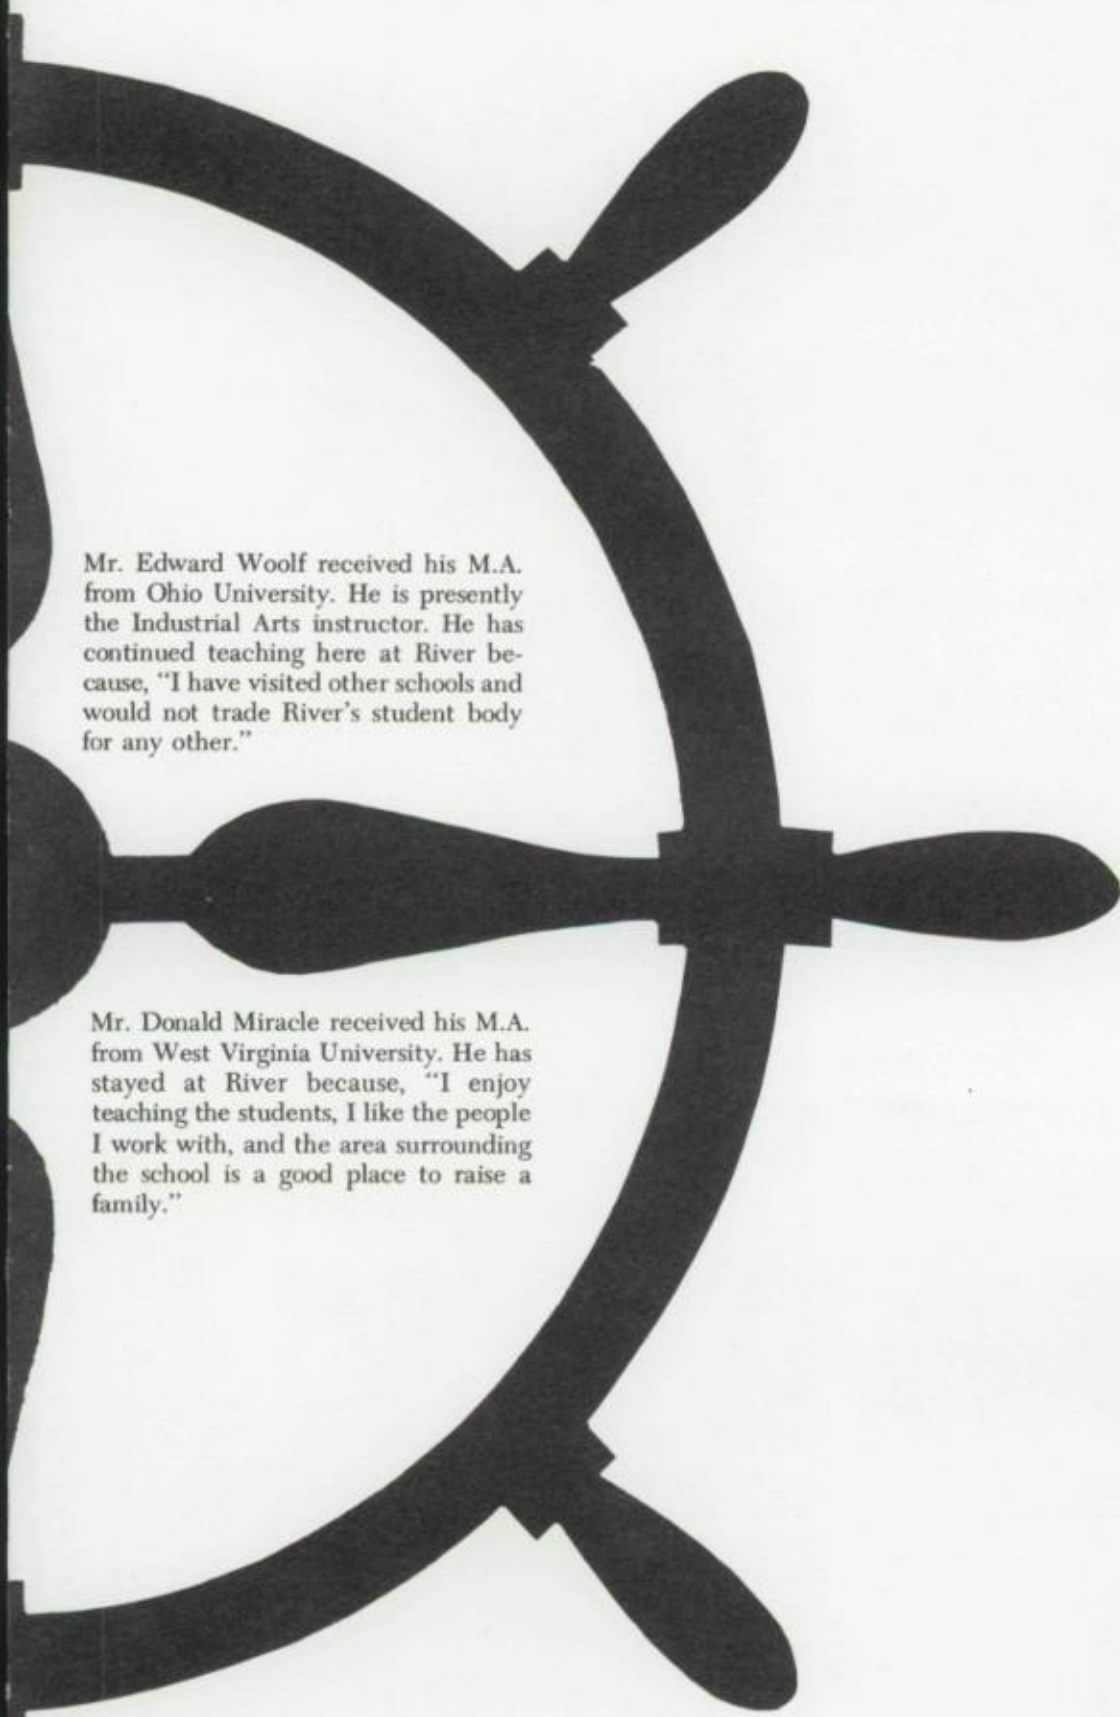

Mr. Harry Mallett received his M.A. at Ohio University. He has continued his career at River because, "The people of this area are conservative, and I live in a friendly community."

Miss Elizabeth Forney received her M.A. at Columbia University. Her main field is Home Economics. She enjoys teaching at River because, "I like the people of the communities and enjoy the challenge of teaching."

20 Y

OF S

YEARS

Mr. Edward Woolf received his M.A. from Ohio University. He is presently the Industrial Arts instructor. He has continued teaching here at River because, "I have visited other schools and would not trade River's student body for any other."

Mr. Donald Miracle received his M.A. from West Virginia University. He has stayed at River because, "I enjoy teaching the students, I like the people I work with, and the area surrounding the school is a good place to raise a family."

RVICE

"The loyalty to River makes our student body outstanding and makes the teachers proud of our school. River has lost no time in developing a school spirit that has carried it through many adjustments. "We know it takes hard work, but there has been a lot of spirit that has helped us," exemplify some of the attitudes of these faculty members. We are proud of what they have done, and we wish them many more years at River High.

OUR PRINCIPAL

"Remember is a lovely word,
And telescopes the years,
When sliding on times avenue
Memory appears
To bring to life for inner
eyes
The pages of the past,
Where tears and joys have merged
to form
Rainbows that will last."

MR. HARRY MALLET

OUR NEW ASSISTANT PRINCIPAL

"To face tomorrow with the thoughts
of using the methods of yesterday,
Is to envision life at a standstill.
Even that which we now do well,
must be done better tomorrow."

Bob, It has been a real
 pleasure to have had you in
 class and to have known you. You
 are every teacher's idea of the
 "ideal student." I could always count
 on you to participate and be enthused
 about what we were doing. I am going
 to miss you. River needs more students
 like you!
 in your new home + new school. I
 want to wish you all success in your
 future plans + please keep me informed
